

A single Ski Callaghan admission provides you with access to the combined trail system of Whistler Olympic Park and Callaghan Country. With over 30km of snowshoe trails, you have the ability to move freely between both areas with ease.

Whistler Olympic Park Snowshoe Trails

No matter your fitness level, snowshoeing is a refreshing and low-impact activity that is perfect for all ages. Tread upon the winter snowpack, weaving between beautiful views of the surrounding mountains and Olympic monuments.

Access to the majority of our snowshoe trails is from either the *Upper or Lower Day Lodge Trailheads*. Dog-friendly trails can be accessed from the *Dog Parking Lots*. Trails below are in order from easiest to most difficult. Snowshoe rentals are available from Whistler Olympic Park's Rental Shop.

Stadium Explorer 2.4km 40-135 mins **Upper Trailhead**
Stadium Explorer is our easiest trail, making it perfect for beginners to snowshoe! Follow this trail for great views of the Olympic Rings and Biathlon Range.

Marley's Meander 1.6km 40-135 mins
This beginner-friendly trail meanders around the Porter's Glide ski area and is the best trail to bring both your family and your four-legged friends for an adventure through a mix of old- and new-growth forest. Access this trail from the Dog Parking Lot.

Wetland Wanderer 1.1km 15-50 mins **Lower Trailhead**
Wetland Wanderer is a relatively flat trail that makes its way through beautiful wetlands. Continue along to Paws Passage and reach Callaghan Country's Base Area, where other popular trails like Alexander Falls Explorer can be found.

Paws Passage 0.6km 14-30 mins **Lower Trailhead**
Paws Passage is a short, dog-friendly connector trail that will take you to Callaghan Country's Base Area. From here, you can access other popular trails such as Alexander Falls Explorer.

Ski Jump Loop 2.8km 45-120 mins **Upper Trailhead**
The Ski Jump Loop will take you up to the top of the Olympic Ski Jumps and back down again. The trail is wide, but involves a steady incline up. Use this trail to extend your journey and access the Walk with Giants trail for some incredible views

Lookout Explorer 3.4km 60-180 mins **Lower Trailhead**
Lookout Explorer is a great choice for a more challenging tour. The trail navigates a mixture of flat lowlands and some moderate slopes to a stunning viewpoint and shelter located at Top of the World.

Walk with Giants 1.4km 30-90 mins
Walk with Giants is accessed from the Ski Jump Loop. Surrounded by giant Fir and Hemlock, immerse yourself in the serenity of the old-growth trees and the beauty of the Callaghan forests.

Shuler's Shuffle 1.2km 30-90 mins
Shuler's Shuffle is a more challenging, but quieter trail for you and your dog to enjoy. Catch glimpses of Brandywine Mountain and Black Tusk through the forest as you explore. Access from the Brandywine Dog Parking Lot.

Biathlon Explorer 1km 30-90 mins
Biathlon Explorer is accessed from Wetland Wanderer. It begins at the Three Wolves art installation, taking you through rolling steeps and past the Biathlon Stadium.

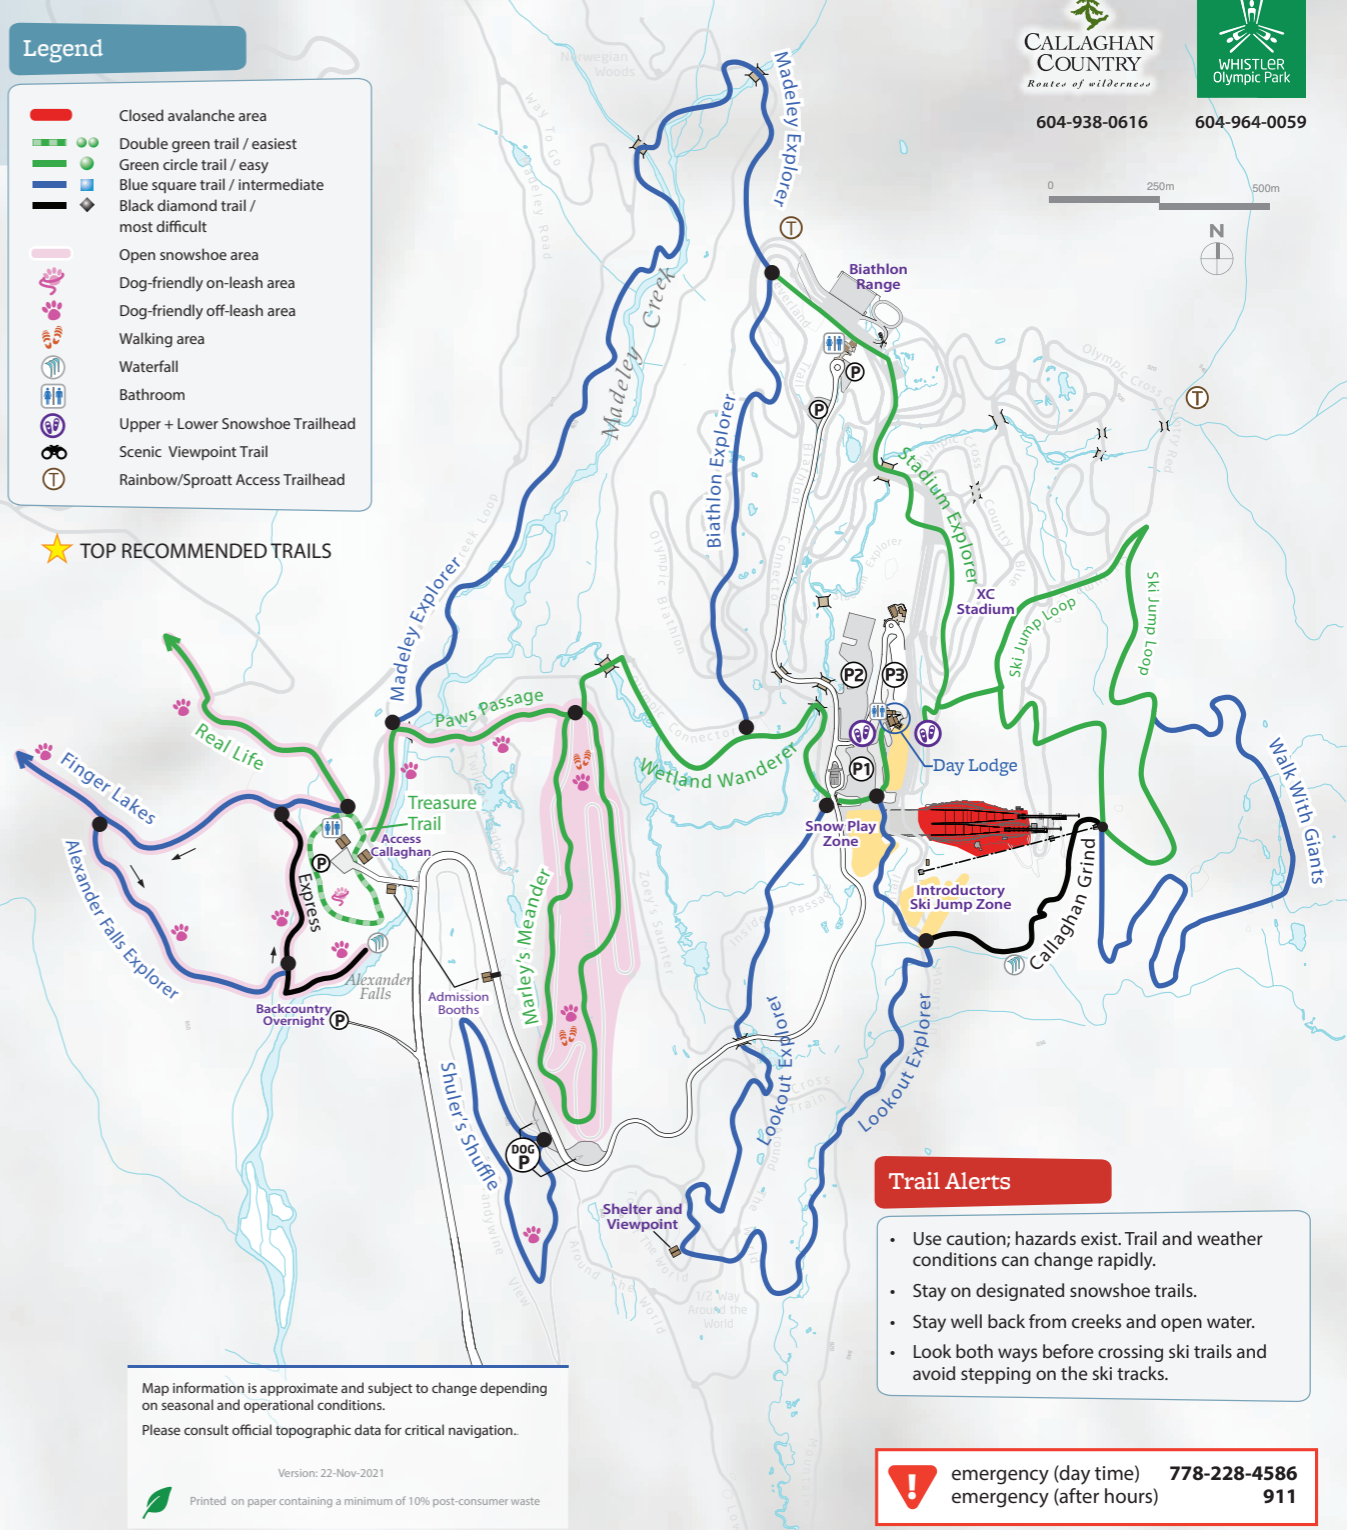

Madeley Explorer 2.4km 45-135 mins
Madeley Explorer is perfect for a more challenging hike and is accessed from Wetland Wanderer or Stadium Explorer. Travelling along the Madeley Creek wetland area, the trail takes you through beautiful forests of mature Cedar.

Callaghan Grind 0.6km 30-90 mins
Callaghan Grind is exactly how it sounds! It an expert climb to the top of the Ski Jumps. Access from Lookout Explorer for a winter fitness challenge.

Callaghan Country Wilderness Adventures Alexander Falls Snowshoe Trailhead

Follow the single track snowshoe trail past Access Callaghan Rental Shop, Double Decker Coffee Bus and the sign board at the end of the Alexander Falls parking lot to embark upon a journey of wonderment as you wind your way through ancient coastal rainforests and pristine frozen lakes. Visit the base of a frozen waterfall and marvel at the fresh tracks of the local forest inhabitants as they go about their day collecting food and socializing.

Treasure Trail Easiest Trail Distance: 0.5 km

Our intro trail that's perfect for first-timers, families and little ones. Stop in at the Alexander Falls Touring Centre to pick up your hunt list. Get the whole family engaged as you set out on a wilderness quest learning fun trivia along the way. Only half a kilometre long, this trail has the same feel as our other routes but stays close to our base area.

★ Real Life Easy Trail Distance: 4.9 km

Most often used as the exit route from Finger Lakes, this trail can also be accessed from the base area and is best known for being the home of the oldest cedars in Sea to Sky region. It is a wide, routinely groomed, multi-use trail shared with skiers. Please respect skiers by staying to the side of the trail, and avoid walking on the corduroy & track set surfaces.

★ Alexander Falls Explorer Trail Distance: 2.5 km

Without a doubt, one of the most inspiring natural experiences of the Sea to Sky region! This winding single track trail immerses explorers in a deep coastal Western Hemlock forest, ultimately making its way down to the base of a 55-meter frozen waterfall. Warning! Some steep sections make this a challenge for some novices and small children.

Finger Lakes Trail Distance: 4.3 km

A serene wilderness wander! Snowshoe through a coastal rainforest complete with old-growth cedars and extensive frozen marshlands. The perfect day hike destination for a sunny day picnic lunch, with only nature to accompany you.

Alexander Falls Express Trail Distance: 0.5 km

This is the direct shortcut 'to' and 'from' the base of Alexander Falls (viewpoint). Warning! Very steep and challenging, even for experienced snowshoers. Not recommended for the weary. Closed in icy conditions.

To Journeyman Lodge
Distance: 8.3 km beyond junction

Journeyman Lodge and Solitude Valley Trails

(See Ski Callaghan ski trail map for visual overview)

Increasingly, more snowshoers are trekking up to Journeyman Lodge for overnight stays. Average travel times are about five hours, depending on snow conditions. Route is via Real Life to the Wild Spirit Trails, a distance of 12 km and is routinely groomed. Journeyman Lodge provides an escape to the peace and tranquility of the Solitude Valley and the opportunity to explore old-growth forests nestled into the toe of glacial reaches. Follow a set loop or explore your own path—the entire valley is yours to discover.
